Goal:
To identify the letters in your name.

Instructions:
Use the chenille stems provided to make the letters in your name. Can you make uppercase letters, lowercase? Can you make the sound that each letter makes?

Book suggestions:
Alphabet under Construction by Denise Fleming
Bad Kitty by Nick Bruel
Chicka Chicka Boom Boom by Bill Martin
Eating the Alphabet by Lois Ehlert

Try this!
- Grownups, write out the letters of your child’s name (on scrap paper or post-its indoors or with sidewalk chalk outdoors) and have him/her jump to the letter you call out. Once mastered, add more letters and eventually have your child tell you the sound the letter makes.
- Play “I Spy.” Look for things around your home that start with the letter A, B, C and so on.
- Look for letters around town, on signs, billboards, store windows, etc.
